Liberty Silver Center offers AARP Safe Driving Class

LIBERTY, Mo. – Your car gets regular tune ups. Shouldn't your driving skills? The Liberty Silver Center will be a host site for the AARP Safe Driving Class from 9 a.m.-1 p.m. on May 1.

The AARP Driver Safety course is the nation's first and largest refresher course for drivers age 50 and older. It has given millions of drivers the skills and tools they need to drive today's roads safely, so they can stay independent for many years to come. In fact, according to AARP, 97 percent of those who take it change at least one driving behavior.

And the best part? There are no tests! Just useful information to stay safe on the road.

The class will be held at the Liberty Community Center, 1600 S. Withers Rd. There is a nominal fee of \$15 for AARP members and \$20 for non-AARP members. Registration is available on line at www.ci.liberty.mo.us/CommunityServices or by calling 816.439.4360. Please bring your driver's license with you to the class.

The Liberty Silver Center is a place where adults aged 60 or older gather each day for fellowship, fun and food. Approximately 400 people visit the Silver Center each year to participate in a wide variety of activities from education programs, live performances, holiday parties, card playing, Bingo and much more. To learn more about the Center, staff encourages you to drop by and visit or go online to www.ci.liberty.mo.us/SeniorServices.
