Liberty Cemetery Committee to Host Work Day in June

Tutorial for volunteers on headstone leveling

LIBERTY, Mo. – As part of their monthly clean-up day, the Liberty Cemetery Advisory Committee is offering a tutorial on levelling monuments and headstones on Saturday, June 27, from 9 a.m. to noon at the Fairview and New Hope cemeteries.

Directly following the tutorial, the volunteers will head out in to the cemetery to level and straighten headstones, working side by side with experienced volunteers. Please keep in mind that this type of work involves heavy lifting. Volunteers are encouraged to bring supplies including shovels, gloves, levels and pry bars that they may already have at home. The class will be cancelled if it is raining.

Volunteers should sign up for the class by June 25 to ensure enough gravel is purchased. To register, contact the Liberty Cemetery Advisory Committee Chair, Mary Cravens, at marycravens@ymail.com or 816.415.2075.

If you can't make it to this clean-up day but want to help keep Liberty cemeteries beautiful, the Cemetery Advisory Committee meets the fourth Saturday of the month, March through October, to clean up, weed and oversee general maintenance of Fairview and New Hope cemeteries.
