

## City Council Meeting

Special Session Minutes  
December 19, 2022

### I. CALL TO ORDER

A regular meeting of the City Council of the City of Liberty, Missouri was held in the Council Chambers at City Hall on December 19, 2022 with Mayor Lyndell Brenton presiding. Mayor Brenton called the meeting to order at 7:00 p.m.

Council Members Present: Harold Phillips and Paul Jenness, Ward I  
Greg Duncan and Kelley Wrenn Pozel, Ward II  
Jeff Watt, Ward III  
Michael Hagan, Ward IV

Council Members Absent: Kevin Graham, Ward III  
Gene Gentrup, Ward IV

Staff Present: Curt Wenson, City Administrator  
Sara Cooke, Assistant City Administrator  
Shawna Funderburk, Chief Strategic Operations Officer  
Vicki McClure, Finance Director  
Matt Redenbaugh, Utilities Wastewater Operations Manager  
BJ Staab, Parks and Recreation Director  
Jim Martin, Police Chief  
Chris Young, Assistant Fire Chief  
Brandon Smith, Economic & Business Dev. Manager  
Katherine Sharp, Planning and Development Director  
Sherri McIntyre, Public Works Director  
Janet Pittman, Deputy City Clerk

Public Present: Kellie Houx, Courier Tribune  
10 members of the public

### II. APPROVE MINUTES AND SUMMARIES

#### A. November 28, 2022 Regular Session Minutes

Council Member Watt moved to approve the minutes as distributed. Council Member Hagan seconded the motion, which carried 5-0-1. Council Member Pozel abstained due to absence.

### III. CONSCENT AGENDA

#### A. November 14, 2022 Regular Session Minutes

Council Member Phillips moved to approve the minutes as distributed. Council Member Pozel seconded the motion, which carried unanimously.

- B. Purchase Of Sewer Line Rapid Assessment Equipment from InfoSense Inc. in an amount not to exceed \$26,945.00

The sewer line rapid assessment tool, SL-RAT, utilizes sound to determine if there are obstructions of flow in the sewer line pipe as an alternative to cleaning and then televising the sewer line pipe. Staff believes the utilization of the SL-RAT will allow them to rapidly assess a large area of sanitary sewer line pipe and then prioritize the cleaning and televising of sanitary sewer lines that indicate that there is a blockage of flow. Staff believes that the rapid assessment will allow them to be more selective on the number of sanitary sewer lines that are cleaned and televised and reduce fuel consumption and maintenance costs related to the large jet trucks. The rapid assessment tool can be utilized year round and is not limited by freezing temperatures as the other sewer maintenance equipment is limited.

Council Member Phillips moved to approve the purchase. Council Member Pozel seconded the motion, which carried unanimously.

- C. Resolution accepting Sanitary Sewer and Water Main Public Improvements for Vintage Estates of Liberty, Project (PWKS-08-22-00002)

Vintage Estates of Liberty is located North-East of Buckingham Dr. and West of S. Withers Rd. The developer constructed public sanitary sewer and water main improvements to facilitate the residential development. The public improvements were constructed by Conlon Construction Co., Holthouse Construction LLC and Metro Asphalt, Inc. in accordance with City plans and specifications.

**Action:** Council Member Phillips moved to approve the resolution. Council Member Pozel seconded the motion.

Vote: Motion passed 6-0-0  
Yes: Council Members Phillips, Jenness, Pozel, Hagan, Watt and Duncan  
No: None  
Abstain: None  
Inscribed in Resolution No. 3296.

- D. Boards and Commissions Appointments  
Citizens Sales Tax Oversight Committee  
Appoint Ian Wooldridge to a term expiring 5/15/2024

Historic District Review Commission  
Appoint Katie Schmidt to a term expiring 7/1/2024

Council Member Phillips moved to approve the appointments. Council Member Pozel seconded the motion, which carried unanimously.

#### IV. PUBLIC HEARINGS

- A. Ordinance amending the Official Zoning Map of the City of Liberty, Missouri by Rezoning 11.38+/- Acres at the NE Corner of South Liberty Parkway & Plummer Road From R-1A, "Suburban Residential" District to C-2 "General Business" District for Prominence Commercial (P&Z Case No. 22-58R&PDP)

This is a rezoning application for Prominence Commercial, a commercial development on approximately 11.4 acres for 30,000 square feet of commercial space along South Liberty Parkway.

The applicant is proposing 5 commercial lots each with buildings ranging in size from 5,000 to 10,000 sq. ft. This is a preliminary proposal to establish commercial zoning to market the property to commercial businesses. No specific user has been identified and all of the proposed building elevations are conceptual. The proposed uses include a bank, drive thru restaurant, retail and office buildings.

Mayor Brenton opened the Public Hearing and asked if anyone wished to speak either in favor or in opposition of the ordinance.

John Davis, applicant, stated they do not have any immediate users. They wanted to rezone to commercial for marketing purposes.

Seeing no one else wishing to speak, the Mayor closed the Public Hearing.

Document No. 9523 was read.

Mayor Brenton stated the Ordinance would be considered on second reading at the January 9, 2023 Regular Session Meeting.

## V. ORDINANCES, CONTRACTS AND RESOLUTIONS

### A. Ordinance acknowledging Vendor Payments for the Period of December 2 to December 9, 2022

Document No. 9524 was read.

**Action:** Council Member Hagan moved to approve the vendor payments. Council Member Phillips seconded the motion.

Roll Call

Vote: Motion passed 6-0-0

Yes: Council Members Phillips, Jenness, Pozel, Hagan, Watt and Duncan

No: None

Abstain: None

Approved by the Chair and inscribed in Ordinance No. 11689.

### B. 2023 Annual Budgets

State law 67.010, 67.020 and 67.030 requires the City to annually adopt a budget prior to the beginning of the new fiscal year. The Council Budget Committee and City staff has extensively analyzed the 2022 and 2023 revenue budgets and expenditure requirements over multiple open meetings, starting in mid-summer of 2022. The proposed 2023 Budget was presented at a study session to The City Council on November 07, 2022. The proposed 2023 budget components that were presented were comprised for public disclosure of the: General Fund; Capital Improvement Plan (Capital and Transportation Sales Tax); Economic Sales Tax; Fire Sales Tax; Parks Sales Tax; Parks Fund; Utility Funds.

Various citizen committees have reviewed elements of the 2023 Budget. The Citizens Sales Tax Oversight Committee reviewed the following budgets and found them consistent with voter intent:

- Capital Sales Tax Fund
- Transportation Sales Tax Fund
- Parks Sales Tax Fund
- Fire Sales Tax Fund

The Economic Development Sales Tax Board reviewed the Economic Development Sales Tax Fund and found it consistent with voter intent. The Public Safety Sales Tax Oversight Committee will review the PSST Fund on December 15, 2022 to ensure the funds being used meet voter intent. The City of Liberty Park Board reviewed the Park and Parks Sales Tax Budgets and recommended them to the City Council. The proposed ordinances are supported by the 2023 Budget Message, which provides substantial narrative and fiscal information on the 2023 budget.

1. Ordinance Adopting the Annual Budget for the City of Liberty, Clay County, Missouri for the Fiscal Year 2023 (second reading)

Document No. 9521 was read.

**Action:** Council Member Jenness moved to approve the ordinance. Council Member Hagan seconded the motion.

Vote: Motion passed 6-0-0

Yes: Council Members Phillips, Jenness, Pozel, Hagan, Watt and Duncan

No: None

Abstain: None

Approved by the Chair and inscribed in Ordinance No. 11690.

2. Ordinance Adopting the Annual Budget for Parks and Parks Sales Tax Budgets for the City of Liberty, Clay County, Missouri for the Fiscal Year 2023 (second reading)

Document No. 9522 was read.

**Action:** Council Member Phillips moved to approve the ordinance. Council Member Hagan seconded the motion.

Vote: Motion passed 6-0-0

Yes: Council Members Phillips, Jenness, Pozel, Hagan, Watt and Duncan

No: None

Abstain: None

Approved by the Chair and inscribed in Ordinance No. 11691.

- C. Resolution approving the 2023 – 2028 Street Capital Improvement Plan for the City of Liberty, Missouri (postponed from December 12/22)

The 2023 – 2028 CIP represents the accumulation of prior planning, project prioritization by the City Council, efforts by Public Works staff to maximize Federal, State and other local funding resources and has been reviewed by the Budget Committee and City staff.

The CIP contemplates the spending of approximately \$53.67 million in street infrastructure improvements, equipment purchases, maintenance projects, public building improvements and associated debt service expense.

Projects to be accomplished from the Transportation, Capital and Economic Development Sales Funds are:

- \$15.40M – Street Restoration/General Transportation Improvements/Street Maintenance Supplies
- \$2.30M – Public Works Equipment – Building Maintenance/Misc. Expenses
- \$2.55M – Signal Light Maintenance
- \$0.25M – Bridget Maintenance/Replacement Projects
- \$2.88M – Storm Water Improvements
- \$1.80M – Sidewalk Replacement Program
- \$1.64M – Capital Engineer/Street Maintenance Workers
- \$0.40M – Transportation Enhancement Projects/City Landscaping Funds
- \$0.28M – KCATA (\$48K annual commitment)
- \$0.07M – Transfer Out – To Parks for City Landscaping Funds
- \$22.46M – Debt Service/Loan Costs
- \$3.64M – Transfers Out

**Action:** Council Member Watt moved to approve the resolution. Council Member Phillips seconded the motion.

**Vote:** Motion passed 6-0-0

**Yes:** Council Members Phillips, Jenness, Pozel, Hagan, Watt and Duncan

**No:** None

**Abstain:** None

Inscribed in Resolution No. 3297.

- D. Ordinance approving an Agreement with Pace Analytical for Laboratory Services in an amount not to exceed \$50,000.00

Liberty has utilized Pace Analytical (Pace) for sample analysis at the Water Treatment Plant since 2012 and at the Wastewater Plant since 2017. Pace performs permit compliance tests and reports the value to the Wastewater Treatment Plant. Pace performs approximately 100 tests a month and 1,200 tests annually. These values are assembled into a monthly eDMR (Electronic Discharge Monitoring Report) and reported to the Missouri Department of Natural Resources. Process control sampling is utilized to verify and improve various stages of the treatment process on a day to day basis. These tests are collected and analyzed by either Liberty Wastewater Treatment staff or Pace, depending upon the complexity and equipment required to perform the test. On average, Liberty staff performs 23 tests a day. Staff performs tests on Influent, Effluent, Mixed Liquor Suspended Solids, Return Activated Sludge (RAS), Digester and Bio Solids. The daily lab sheets that are used to record these values are also submitted in the eDMR.

Pace is the only laboratory in the area close enough to meet the holding times specified in sampling handling. Holding times is defined as the time between collection and analysis where the sample can be stored and not degrade the sample where the recorded test values are valid. Pace is reliable with their handling and testing of the samples and has been vital for maintaining compliance with our governing agency.

Document No. 9525 was read.

**Action:** Council Member Phillips moved to waive the rules and consider the ordinance on first reading. Council Member Hagan seconded the motion.

**Vote:** Motion passed unanimously.

**Action:** Council Member Hagan moved to approve the ordinance. Council Member Jenness seconded the motion.

**Vote:** Motion passed 6-0-0

**Yes:** Council Members Phillips, Jenness, Pozel, Hagan, Watt and Duncan

**No:** None

**Abstain:** None

Approved by the Chair and inscribed in Ordinance No. 11692.

- E. Ordinance approving an Agreement with JCI Industries, Inc. for the Purchase of Service on Priority Equipment at the Wastewater Treatment Plant in an amount not to exceed \$100,000.00

JCI Inc. has been servicing and repairing equipment for the Wastewater plant since 2017 and represent nearly all the equipment brands installed at the plant. Staff tried other companies and ended up having JCI finish necessary repairs to the equipment. Trying other companies has increased cost and downtime of equipment. JCI has been reliable with their repairs and service, which has helped the plant maintain operation and compliance. Due to restrictions of dealer territories, JCI Inc is the only supplier of many pieces of equipment utilized in the Wastewater plant and, without changing equipment brands, JCI, Inc is effectively the sole source provider. All equipment that was installed at the plant was evaluated and determined to be the best value when considering life cycle costs and reliability.

Staff reasonably expects there will be around \$100,000 in priority equipment repair/replacement/service. Priority equipment is defined as any equipment needed to operate the plant to maintain compliance with our Missouri Department of Natural Resources permit number MO0137111. Examples of priority equipment are but not limited to: aeration equipment, pumps, and motors. Any repair needed on priority equipment could total over \$20,000 for service and parts due to the size of the equipment, and increasing cost of equipment and service. This action is important because it allows staff to make priority repairs within the City's purchasing policy. Some of these repairs will require quick action to get the equipment back in operation.

If the total cumulative expense with JCI, Inc exceeds the \$100,000.00 staff will seek additional authorization for expenses.

Document No. 9526 was read.

**Action:** Council Member Jenness moved to waive the rules and consider the ordinance on first reading. Council Member Pozel seconded the motion.

**Vote:** Motion passed unanimously.

**Action:** Council Member Hagan moved to approve the ordinance. Council Member Phillips seconded the motion.

**Vote:** Motion passed 6-0-0

**Yes:** Council Members Phillips, Jenness, Pozel, Hagan, Watt and Duncan

**No:** None

**Abstain:** None

Approved by the Chair and inscribed in Ordinance No. 11693.

F. 2022 City Street Striping Project

This action is to reconcile the final contract amount for City of Liberty project 22-014, 2022 City Street Striping. The original contract with Heartland Traffic Services, Inc was authorized on September 12, 2022 for an amount not to exceed \$40,000.00. This final reconciliation reduces the final contract amount from \$36,378.00 to \$33,729.21. The \$2,648.79 net decrease results from variations in estimated quantities.

The crosswalks and intersection markings which were marked include the following:

- Sunset and Fairview
- Clay Drive and Garden Street
- Wildbriar and Nashua
- Holt at Birmingham
- Claywoods Parkway at Richfield

The roadways that had updated centerline and edge line striping include the following:

- Birmingham from Ruth Ewing to S Liberty Parkway
- La Frenz Road from Ruth Ewing to Hillview
- N Church Road from MO-291 north to City Limit
- Ruth Ewing east of MO-291 as needed
- Ruth Ewing west of MO-291
- Church Road from south of MO-291 to the City Limits

1. Ordinance amending Ordinance No. 11642 approving a final Contract Amendment with Heartland Traffic Services, Inc. for City of Liberty Project 22-014, 2022 City Street Striping, decreasing the amount by \$2,648.79 from \$36,378.00 to a not to exceed amount of \$33,729.21

Document No. 9527 was read.

**Action:** Council Member Phillips moved to waive the rules and consider the ordinance on first reading. Council Member Pozel seconded the motion.

Vote: Motion passed unanimously.

**Action:** Council Member Hagan moved to approve the ordinance. Council Member Jenness seconded the motion.

Vote: Motion passed 6-0-0

Yes: Council Members Phillips, Jenness, Pozel, Hagan, Watt and Duncan

No: None

Abstain: None

Approved by the Chair and inscribed in Ordinance No. 11694.

2. Resolution accepting City of Liberty Project 22-014, 2022 City Street Striping

**Action:** Council Member Jenness moved to approve the resolution. Council Member Watt seconded the motion.

Vote: Motion passed 6-0-0

Yes: Council Members Phillips, Jenness, Pozel, Hagan, Watt and Duncan

No: None

Abstain: None

Inscribed in Resolution No. 3298.

G. Ordinance approving a Fee for Services Agreement with the Liberty Economic Development Corporation in an amount not to exceed \$75,000

2023 Fee for Services Agreement with the Liberty Economic Development Corporation (LEDC). The participation by the City beyond the \$75,000 for services is for health care benefits for the Executive Director (the same type of benefit offered to a certain group of employees). This benefit was first included in the contract in 2013. Changes in annual benefit amounts are due to changes in the insurance option selected and/or health care increases. For 2023, that cost is budgeted at \$10,700. Under the terms of the agreement, the LEDC will continue to provide the following services:

- Maintain a database of sites, buildings and locality details on the LocationOne Information System (LOIS).
- Maintain an economic development website.
- Carry out business attraction and recruitment activities.
- Coordinate responses to requests for information (RFIs) from prospects.
- Carry out business retention activities including one-on-one business visits.
- Commit to seeking private sector investment to leverage this public contract.

Document No. 9528 was read.

**Action:** Council Member Hagan moved to waive the rules and consider the ordinance on first reading. Council Member Jenness seconded the motion.

Vote: Motion passed unanimously.

**Action:** Council Member Watt moved to approve the ordinance and to provide health benefits. Council Member Phillips seconded the motion.

**Vote:** Motion passed 6-0-0

**Yes:** Council Members Phillips, Jenness, Pozel, Hagan, Watt and Duncan

**No:** None

**Abstain:** None

Approved by the Chair and inscribed in Ordinance No. 11695.

- H. Ordinance amending Ordinance No. 11557, approving an Agreement with Central Jackson County Fire Protection District to provide EMS CEUs, by increasing the cost by \$2,000.00 - from \$10,000.00 to an amount not to exceed \$12,000.00

The Fire Department has outsourced its Continuing Education program since 2011 to Central Jackson County Fire Protection District (CJCFPD). CJCFPD has provided Fire Department personnel with a consistent training program that assists personnel in obtaining needed Continuing Education Units (CEUs) to relicense as an EMT-Basic or EMT-Paramedic with the State of Missouri.

At this time, the Fire Department is not aware of any other on-site providers of CEUs. CJCFPD is not only state licensed to provide the training, but also nationally licensed, which assists our personnel in obtaining the most recent and up-to-date information that is available. CJCFPD will continue to conduct three, three-hour sessions of core required CEUs each month, at our location for the term of the agreement.

Document No. 9529 was read.

**Action:** Council Member Phillips moved to waive the rules and consider the ordinance on first reading. Council Member Pozel seconded the motion.

**Vote:** Motion passed unanimously.

**Action:** Council Member Hagan moved to approve the ordinance. Council Member Phillips seconded the motion.

**Vote:** Motion passed 6-0-0

**Yes:** Council Members Phillips, Jenness, Pozel, Hagan, Watt and Duncan

**No:** None

**Abstain:** None

Approved by the Chair and inscribed in Ordinance No. 11696.

- I. Ordinance approving a Contract with Wil Pav for asphalt overlay of walking paths at the Capitol Federal Sports Complex in an amount not to exceed \$19,854.00  
Capitol Federal Sports Complex includes eight baseball/softball fields and one large high school size baseball field and is host site to a wide variety of year-round youth and adult sports leagues and tournaments. These events average 2,000 players and families each weekend and an estimated 500-700 people each week.

In late 2019, the natural grass was converted to synthetic turf, elevating the complex as a top choice for regional and national tournaments. Prior to 2020, only two gates in

each complex were open for entry to limit access and charge a gate fee. Due to COVID restrictions, during the 2020 season, gate fees were dropped and a fee was assessed to each team to offset the collection of gate fees at the gate; all of the walkways were open to the public to provide more room and less lines. Of the four walkways in the five-plex, two are in bad condition as they were not part of the 2015 overlay work because they had previously not been open to the public. With all four gates in the five-plex open for events, these two walkways are in need of resurfacing.

To maintain the positive reputation of the complex in the metro area and create an overall great experience, upgrades to the walkways in the five-plex is recommended. Staff contacted references with positive results.

Document No. 9530 was read.

**Action:** Council Member Watt moved to waive the rules and consider the ordinance on first reading. Council Member Phillips seconded the motion.

**Vote:** Motion passed unanimously.

**Action:** Council Member Hagan moved to approve the ordinance. Council Member Pozel seconded the motion.

**Vote:** Motion passed 6-0-0

**Yes:** Council Members Phillips, Jenness, Pozel, Hagan, Watt and Duncan

**No:** None

**Abstain:** None

Approved by the Chair and inscribed in Ordinance No. 11697.

- J. Ordinance amending Ordinance No. 11499, approving a Contract with JE Dunn Construction for the Progressive Design/Build Construction Services for the City Hall Atrium Project No.21-019 in an amount not to exceed \$3,123,269.00

The contract with JE Dunn was approved by Council with Ordinance 11499 and notice to proceed with it being executed on May 23, 2022. The original contract for preliminary design and cost estimates was in the amount of \$45,000.00 plus a 3.5% fee for the cost of all work, and a 5.0% fee on change orders, and 1.0% fee for performance bond costs. This ordinance is for the final guaranteed price, and the contract amendment is for an additional price of \$3,078,269.00.

Project goals were established by working with a broad range of building users and the design-build team. The team then developed a ranking of those goals, and scored different design concepts. Those design concepts were presented to the Council through a special session, and a final design recommendation was made during a regular Council meeting this past summer. Staff and the design-build team have been working on final details and construction cost estimates all fall.

The project includes the removal of the existing domed glass atrium, Kansas Street entryway, brick sidewalk and front steps, and replacing the second-floor tiling. The new construction includes a structural supported flat roof, with vertical glass and glazing, atrium lighting, an ADA-compliant entryway from Kansas Street with an overhang, steps from Kansas Street, repair of water damaged drywall, LED decorative lighting along the new roof line, and new terrazzo flooring on the 2nd floor entryway.

Document No. 9531 was read.

**Action:** Council Member Phillips moved to waive the rules and consider the ordinance on first reading. Council Member Jenness seconded the motion.

**Vote:** Motion passed unanimously.

**Action:** Council Member Watt moved to approve the ordinance. Council Member Hagan seconded the motion.

**Vote:** Motion passed 6-0-0

**Yes:** Council Members Phillips, Jenness, Pozel, Hagan, Watt and Duncan

**No:** None

**Abstain:** None

Approved by the Chair and inscribed in Ordinance No. 11698.

- K. Ordinance approving a Software License and Service Agreement with FORVIS Public Sector Reporting Solutions for the purchase of the Reporting Solution (TRS) Web-Based Financial Report Software in an amount not to exceed \$34,800.00

When FORVIS was chosen to represent the City of Liberty as its Auditing Firm, staff began discussing ideas on how to save money as it relates to the annual audit. During the interview process with FORVIS, they noted that in their bid that they had provided two different options with two very different amounts. One option was to have FORVIS complete the entire audit which would cost \$94,000 in year one. The second option essentially said if staff could produce the Comprehensive Financial Report in house then the price would be \$66,500 for year one. FORVIS provides a software that will assist staff with the preparation of the financial statements.

The software is called The Reporting Solutions software. It is a web-based financial reporting software that will help streamline the production of annual financial reports by linking several sections to other parts of the audit report such as the long-term notes section and the Management Discussion and Analysis sections. As we move in to future years, staff believes this software will be very beneficial and a necessary tool for the Finance Department. The cost of this software would be offset by a decrease in the annual audit fees. The year one total cost is \$34,800 with the year two and beyond annual cost being \$2,400.

Document No. 9532 was read.

**Action:** Council Member Hagan moved to waive the rules and consider the ordinance on first reading. Council Member Pozel seconded the motion.

**Vote:** Motion passed unanimously.

**Action:** Council Member Phillips moved to approve the ordinance. Council Member Hagan seconded the motion.

**Vote:** Motion passed 6-0-0

**Yes:** Council Members Phillips, Jenness, Pozel, Hagan, Watt and Duncan

**No:** None

Abstain: None  
Approved by the Chair and inscribed in Ordinance No. 11699.

VI. OTHER BUSINESS

A. Adult Use Recreational Marijuana - Discussion

On November 8, 2022, Missouri citizens voted to approve Amendment No. 3 which legalizes adult use recreational marijuana. As part of Amendment No. 3, Missouri cities have the ability to collect an additional 3% sales tax on adult recreational marijuana sales. Cities must put the 3% recreational marijuana sales tax item on the ballot for citizen approval. Staff is looking to place the 3% recreational marijuana sales tax Ordinance on the January 9, 2023 City Council agenda, in order to place the recreational marijuana question on the April 4, 2023 ballot. An approved Ordinance must be submitted to the Clay County Election Board no later than January 24, 2023 for the April election.

Very early estimates by the Missouri Municipal League indicate cities with the additional 3% recreational marijuana sales tax in place could see a projected \$150,000 in additional sales taxes, per dispensary per year. The City of Liberty currently has two medical marijuana dispensaries which will most likely receive their comprehensive license from the State of Missouri to also sell recreational marijuana. The 3% additional recreational marijuana sales tax would not be applied to medical marijuana sales. Each City has the authority to determine how to allocate and expend these sales tax revenues, they are not prescribed by the State.

B. Fairview Cemetery / Block 174

Gieselle Fest, 1407 Lynette, asked Council to stop the lawsuit. Let these souls and soldiers rest in peace.

Dwayne Holtzclaw, 113 Kevin St., Excelsior Springs, has family buried in private block 174. He read about his family’s history and ties to former presidents.

Max Garrison, 138 N. Missouri St., stated it is not a grave marker, it is a monument. Only name on it was Nathan Bedford Forest (First Grand Wizard of the KKK).

VII. MISCELLANEOUS MATTERS FROM CITY ADMINISTRATOR

VIII. MISCELLANEOUS MATTERS FROM MAYOR AND CITY COUNCIL

IX. ADJOURNMENT

The meeting adjourned at 7:50 p.m.
